

ACP EMERGENCY MEETING AREAS

← TO METRO

RIVER ROAD

INSTRUCTIONS

In the event of an emergency all employees should proceed to their designated society area and follow procedures per the society's emergency plan.

Employees in the **east** side of the building should exit through the east stairwell and proceed to the designated area.

Employees in the **center** of the building should exit through the center stairwells, out the doors of the Rotunda, turn left and proceed to the designated area.

Employees in the **west** side of the building should exit through the west stairwell and proceed around the parking lot to the designated area.

Employees should not exit the building through the front door.

Fire wardens should meet at the bike lockers (*)
