

ACP EMERGENCY MEETING AREAS

← TO METRO

RIVER ROAD

INSTRUCTIONS

In the event of an emergency all employees should proceed to their designated society area and follow procedures per the society's emergency plan.

Employees in the **east** side of the building should exit through the east stairwell and proceed to the designated area.

Employees in the **center** of the building should exit through the center stairwells, out the doors of the Rotunda, turn left and proceed to the designated area.

Employees in the **west** side of the building should exit through the west stairwell and proceed around the parking lot to the designated area.

Employees should not exit the building through the front door.
